

Sunroom and Kitchen

Description:

Our sunroom area and attached kitchen makes a great space for parties, smaller conferences, lectures, meeting space, and support groups. The space is also well suited for yoga, martial arts, support groups, and family dinners. Makes an excellent space for catered events, potlucks, and has the amenities to prepare large meals onsite.

Equipment Available:

Rental of the sunroom and kitchen includes use of tables (10), chairs(55), stoves (2), pots and pans, dishes (service for about 75), dishwasher, and possible fridge space for the day of your event. It is always recommended to bring your own cooking equipment (pots and pans), and naturally, you must provide all your own food. Any food already in the kitchen belongs to our various programs and is not included in your rental.

More tables and chairs can be rented to suit your needs. Please discuss this when you are inquiring for rental space.

Uses:

Parties, events and sports as listed above. It is best to visit and see the space to determine if it is suitable for your event. The space is not really appropriate for larger events, though the gym may be rented in combination with the kitchen and sunroom for larger parties.

Dimensions:

Sunroom: 25 foot by 41 foot; 762 cm by 1249 cm

Kitchen: 10 foot by 17 foot; 304 cm by 518 cm (there is a counter covering some of this space)

Capacity:

Sunroom: Approximately 75 people based on fire regulations.

Kitchen: Approximately 15 people based on fire regulations.

Price:

See website for prices. Discounts may be available for grassroots organisations and non-profit charitable organisations. This must be discussed with the director of Centre Greene. Rates are increased by inflationary index on September 1st annually.

Rental is subject to the agreement of terms and conditions of our rental agreement. This can be found on our website at www.centregreene.org

A Centre Greene staff member is present at all times for assistance.

Please also note that the kitchen must be left clean, dishes must be washed and put away, garbage and recycling must be removed and placed in the appropriate bins. If the kitchen is not left clean, a maintenance fee will be imposed.

Set-up and clean-up time must be taken into account when renting as you are charged for this time.
